SMALL POTATOES Tuesday, February 21, 2012 - \$12 / \$11

"I've never been so fascinated by a singing duo. Jacquie Manning and Rich Prezioso are original, funny, energetic, profound, always respectful of the music but always daring to try new things. When they get their hands on music, rhythmically and harmonically, it just takes off. The audience here loves them. It's a stand-up-and-shout kind of love."
